

Terms of Use

1. The Sommerrodelbahn (summer tubing slide) is a sport facility. The use takes place on own risk, in suitable clothing and without the influence of alcohol. Pay attention to the information signs on site!
2. Children can use the track from 3 years on. Up to 7 years, a at least 8-year old accompanying person is needed. With 8 years and more, children can use the Sommerrodelbahn themselves.
3. The staff is not responsible for the supervision of children. The guest takes care, that there are enough accompanying persons to take over that.
4. A maximum of 2 persons is allowed for each sledge. The smaller tobogganer sits in front.
5. It is not allowed to change the seating position during the ride – also, if the lift stops – always stay seated and never leave the ride!
6. The tobogganer is self-responsible for the speed of the sledge. Leave both hands on the handle during the ride – do not touch the track.
7. The sledge is automatically separated from the tow rope after the uphill transport. If the handle is pushed into the front, the sledge will get faster. By pulling back the handle, the sledge starts to break.
8. It is not allowed to stop on the track itself!
9. The speed has to be chosen on a way that neither oneself nor others are endangered. A minimum distance of 25 meters needs to be kept. Always keep your view on the track in front of you. If signs remind you to break (“bremsen”) you have to reduce the speed!
10. If the track is wet, the minimum distance is extended to 50 meters. In this case, it is not allowed to ride together with two adults on one sledge. An extended breaking distance has to be taken care of!
11. It is forbidden to collide with other vehicles! The person driving up is liable for all consequences!
12. A photo of the tobogganer is taken during each ride. This photo is available 24h at the photo machine and can be printed against payment if interested.
13. The sledge has to be driven to the brake tape at the exit. Guests have to leave immediately.
14. Pregnant women cannot use the Sommerrodelbahn unfortunately.
15. People with disabilities are only allowed to use the facility after consulting the staff.
16. Smoking is not allowed!
17. The use of loose objects in the hand, such as mobile phones, is prohibited!
18. The instructions of the staff must always be followed - for your own safety and the safety of others.
19. By purchasing the ticket, the guest accepts the terms of use. If the conditions of use are not followed, use is prohibited.
